Dear Parent/Carer,

Learning from home just got even more exciting with Discovery Education!

We're pleased to let you know that you and your child can access the Discovery Education platform from home.

### **About Discovery Education**

Discovery Education is a highly-regarded edtech company whose learning products have been created by education specialists and teaching professionals. The products are designed to engage, inspire and encourage curiosity, whilst supporting learning across all subject areas.

### **How to access Discovery Education from home**

To access Discovery Education from home, follow the instructions below:

- Go to [www.discoveryeducation.co.uk](http://www.discoveryeducation.co.uk)
- Click the 'Login' button in the top right corner
- Select 'Pupil'
- Enter your child's Discovery Education username and password, scan the QR code, or use a Microsoft SSO or Google SSO login

### **Getting started**

Once logged in, you'll be able to see activities and assignments set by your child's teacher, or you can explore the products we'll be utilising in school yourself.

We hope you'll find the Discovery Education product useful for supporting your child's learning at home. If you have any questions about how best to use any of the resources, please speak to your child's teacher.

Further information can also be found in our [help centre](#).
